- Spare tire support
- Made of steel

### Front cab

- Closed
- Heated
- With A/C (optional)
- FOPS Level 2 (optional)
- FOPS/ROPS Level 2 (optional)

## DESCRIPTION

The Toyota Land Cruiser BTE-002 is based on the BTE-001 configuration but features an all-steel design instead of aluminum. Like the BTE-001, it is perfect for transporting various materials between two underground work sites. Its walls allow for the transport of smaller items without needing to secure everything to the platform.
